3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. They should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 150 as earnest money and be superscribed "Tenders for the maintenance work of Nittur Major Tank, Register No. 43, Malvalli Taluk," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Enginer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately, but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer, Bangalore Division, will be final and legally binding.

12. Quotations must be shown in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotations quoted at so much percentage less or more than estimate rate will not be accepted.

13. Any tender containing a conditional clause contrary to these requirements or making stipulations not provided for either in this advertisement or the abstract quantity will summarily be rejected.
